I hereby affirm that I am exempt from License Law for the following reason (Section 7044, Business and Professions Code): Any city or county which requires a license to construct, alter, improve, demolish, or repair a building or structure prior to its issuance, also requires the applicant to file a signed statement that he is licensed pursuant to the provisions of the Contractor's License Law (Chapter 7000 of Division 3 of the Business and Professions Code) or that he is exempt therefrom and the basis for such exemption. Any violation of Section 7031.5 by a person who obtains a permit subjects the applicant to a civil penalty of five hundred dollars (\$500).

☐ I, as owner of the property will build the structure is not intended or offered for sale or lease (Sec. 7044, Business and Professions Code). License Law does not apply to an owner of property who improves thereon, and who does such work himself, if such improvements are not intended or offered for sale or lease. However, if the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he did not build or improve for the purpose of sale.
